- Float

Winter safety

This poster it designed to help you enjoy water safely in winter.

Winter Safety Advice:

- · Pay attention to water safety signs
- Don't go on to the ice, it is not safe
- Never go on to the ice to rescue someone, try to reach them with an object
- · Keep clear of the water's edge in case you fall in
- Never play in floodwater, you may get swept away or it may be deeper than you think
